

A heatmap visualization on a dark purple background. The background features a faint, blurry pattern of light blue and green. Four points are marked with colored circles and labeled with numbers. Point 1 is a red circle at the bottom center. Point 2 is a red circle slightly above and to the left of point 1. Point 3 is a red circle slightly above and to the left of point 2. Point 4 is a green circle at the top center. The labels 1, 2, and 3 are red, while the label 4 is green.
